MATERIAL CARE GUIDE

AT CASTILLEJA FURNITURE + OBJECTS IT IS OUR INTENTION TO CREATE PRODUCTS THAT REFLECT THE HIGHEST STANDARD OF MATERIALS AND CRAFTSMANSHIP. NATURAL MATERIALS ARE AFFECTED BY DIRECT SUNLIGHT, TEMPERATURES, AND HUMIDITY DIFFERENTLY. THIS IS WHY WE HAVE PROVIDED A GENERAL MATERIAL CARE GUIDE THAT SUGGESTS PRACTICES FOR THE VARIETY OF MATERIALS WE USE IN OUR PRODUCTS.

WOOD

ROUTINE CLEANING IS DONE WITH A SOFT, DRY RAG. OCCASSIONALLY, A SLIGHTLY DAMP RAG MAY BE USED. ALWAYS FINISH WITH A DRY CLOTH TO ENSURE ALL THE MOISTURE HAS BEEN REMOVED. DO NOT USE CLEANERS OR SOAPS.

STONE

STONE CARE TIPS

- USE PLACEMATS, COASTERS AND TRIVETS TO PROTECT SURFACES WHEN POSSIBLE.
- WIPE UP WATER OR OTHER LIQUIDS PERIODICALLY TO AVOID HARD WATER SPOTS, ETCHING OR STAINS.
- DO NOT PLACE HOT PANS DIRECTLY ON THE STONE.

CLEANING

- CLEAN WITH A NON-ACIDIC CLEANER, PREFERABLY A NATURAL STONE CLEANER OR A MILD LIQUID DISH SOAP AND WARM WATER.
- RINSE THE SURFACE THOROUGHLY AFTER WASHING WITH THE SOAP SOLUTION AND DRY WITH A SOFT CLOTH.
- A SEALER MAY BE APPLIED UPON REQUEST.

BLACKENED STEEL

ALL OF OUR BLACKENED STEEL PRODUCTS ARE LACQUERED AND WAXED TO PREVENT RUST. THIS PROCESS ENSURES THAT THE FINISH WILL NOT CHANGE OVER TIME. DUST GENTLY WITH A SOFT RAG OR DUSTER. IF NEEDED, CLEAN SURFACE WITH GENTLE SOAP AND WATER.

BRASS OR BRONZE

IF YOUR PRODUCT IS UNLAQUERED, THE FINISH IS LIVE AND HAS NO PROTECTIVE COATING. THE FINISH WILL PATINA AND CHANGE OVER TIME. THIS IS A BEAUTIFUL NATURAL PROCESS. THIS SURFACE CAN BE GENTLY CLEANED WITH A DUSTER OR SOFT RAG.

IF YOUR PRODUCT IS LAQUERED, IT HAS A DURABLE PROTECTIVE FINISH AND WILL NOT PATINA OR CHANGE OVER TIME. DUST GENTLY WITH A SOFT RAG OR DUSTER. IF NEEDED, CLEAN SURFACE WITH GENTLE SOAP AND WATER.

LEATHER

LEATHER IS A BEAUTIFUL MATERIAL THAT MUST BE TREATED WITH CARE. CLEAN LEATHER WITH A SOFT DRY RAG REGULARLY TO REMOVE ANY SURFACE DUST. DO NOT USE ANY CHEMICALS OR CLEANERS ON THIS MATERIAL.
